General Information

1. Directory. This directory is an authorized UNOFFICIAL publication of Marine Corps Logistics Base Albany and its tenant activities.
2. Organizations. The directory is composed of four major sections. These sections include, General Information, Alphabetical Listings, Marine Corps Logistics Base Albany Listing and Marine Corps Logistics Command Listing.
3. Telephone Service. Long distance telephone service for MCLB Albany is provided by FTS2001 service. FTS 2001 service is accessed by dialing "99 + 1" followed by the 10 digit telephone number of the station you are calling. FTS 2001 telephone charges will be identified in a locally produced monthly bill. FTS 2001 service is for OFFICIAL CALLS ONLY. Non-official long distance calls will be made either with a personal calling card, collect or on a public pay telephone.
4. Telephone Installations and Repair Service. Telephone installation and repair service at the command is provided by civilian contractors and base personnel. Installation, relocations and disconnections are coordinated by the

Telecommunications Branch. This work requires that a telephone work request be submitted which includes the following information:

- a. A point of contact: name and telephone number, building and room location.
 - b. Telephone numbers and intercom numbers of each telephone involved. All requests for service are to be submitted to the Telephone Branch via the Customer Support Branch. Allow sufficient time for approval and scheduling of work. Telephone repair service forms are available by accessing the MCLB Albany intranet. (<https://intranet.ala.usmc.mil/it/default.htm>) under Telephone Repair Request Form and submitted to the following e-mail address: Mclba_customersupport@usmc.mil. Please identify the telephone number where the problem exists and the type of problem, if known.
5. Quarters telephone Service. Occupants of government quarters who desire telephone service should contact Bell South/AT&T at 1-888-757-6500. The Telephone Branch is not authorized to coordinate private telephone service.

Warning

DSN calls at this command fall under the following restrictions:
